Republican Women of Weatherford

April 2019

Happy Spring y'all! This year is already flying by. A huge thank you to everyone that attended Diamond and Silk. It was an excellent evening with some good laughs, great food, and the best company. All our fundraising events help to promote Republican candidates in our area. We have had great speakers for our monthly meetings, Kimberly Fletcher of MOMS for America honored us in March. If you have not yet looked her up on Facebook or the internet, I encourage you to go now. She was a fed-up mom, tired of watching from the back. She started by learning and then engaged herself in the values she believed in, then moved forward helping to spur a movement of conservative women promoting family values and love of our great nation.

This month we will be hosting Ronnie Lyles of Operation Finally Home. If you are a patriot and believe in the full support of our military while deployed and home, you will want to be with us April 18th.

Recently you may have received information on the Carolyn Estes Scholarship. The information was sent to all our members and to all Parker County high schools as well as Weatherford College. We will be giving out two \$1000 scholarships this year. If you need further information, please e-mail me.

In is once again election time in Parker County, May 4th is the General Election. I encourage all our members to start by learning about the candidates, sharing why we vote for conservative values, and helping to spread the word. If you know someone that needs a ride to the polls, be the ride. Every vote counts!

DON'T FORGET, Legislative Day is April 25th! To register go on line to TFRW. It is not too late.

Inspire and Empower...the future of Republican Women starts with you
