

Bush Legacy Republican Women of Weatherford

November 2020

I have contemplated on how to begin this last message as we transition into 2021. Part of me is at a loss of words and understanding when I witness the lies and cheating, we have all seen this past week. The other part though knows that we serve a mighty God, and I am trying to lean on that alone. I am grateful to live in Texas and grateful to live in Parker County where I know our conservative values are held in high regard. This month we will host one more important event. We are hosting an SD30 run-off forum for Drew Springer and Shelly Luther at our luncheon. This is our last meeting of 2020. We will also be holding our final fundraiser during the meeting; the Taste of Home Bake Auction so bring your cash or check and help us keep the club going in the next year.

Our country has been in turmoil all year. COVID has set the new standard for everything we do. Riots have caused massive destruction. Police have been under attack not just on the street but by the political left agenda that calls for defunding. Businesses have been forced to close their doors and people have lost their jobs. Children have been forced into learning from their homes via computer and many have fallen behind. Families have been separated from loved ones for months on end. Depression has gripped those in all walks of life. BUT...we will go on. We will continue to promote the conservative values our country was founded on. We will continue to push for TRUTH and ACCOUNTABILITY from our elected officials. We will continue to fight for this country.

Lastly, I want to thank all of you for your support the last 2 years as your president. I have had so much encouragement from many of you and it was a blessing and pleasure to serve such an amazing group of people. I never imagined in my life that I would be part of an organization like this and even less so as president.
