

PARKER COUNTY

Republican Women
“Uniting All Republicans”

Seems like 2021 just started, but its summer! Before we know it, candidates will start filing for the 2022 Primary, and the campaigns have already started. You may want to be one of those candidates.

To prepare for the next election, we need to make sure that people are registered. We need to set aside some of our treasure to support our favorite candidates. To better utilize our activism hours and treasure, consider attending a Leadership Institute workshop. The Weatherford event was great, and there are other options for those that missed it last month. We need to stay engaged. Conservatives need to answer the “crazy talk” with respect and resolve, a double dose of courage.

Morton Blackwell founded the Leadership Institute in 1979.

Our Mission is to increase the effectiveness of conservatives in the public policy process.

Since then, over **230,000** conservative activists have been trained.

As for me, I pray that the 2022 Primary will be a season of truth with candidates telling us why we should vote for them rather than trashing their opponent. In the 2020 elections, we saw a whole lot of trash that just wasn't true. I am challenging all of us to dig a little deeper before we believe. There's tools to do fact checking (other and so much better than Facebook) to make sure that a candidate is speaking truth and worthy of our vote. If they lie to us to get elected, we can only expect them to lie to us if they get in office.

Mike and I were able to attend the FLAG Foundation event with Dennis Quaid. He shared an amazing story of his, his parents, and his grandparents American Dream success stories! We live in the best place in the world, the only place in the world that embraces the opportunity to better yourself through education and hard work with a little risk taking and luck thrown in. The American Dream is worth the fight, and we are the force that will make those stories possible for our grandchildren and generations into the future!

I know it may seem early, but happy campaigning!

Dottie Worthington – Worthington Real Estate and Third VP of Club

Dottie grew up in Moultrie Georgia, attending Moultrie High School and Georgia Southern University. Dottie has been a real estate broker since 1983.

“I love the challenge of finding the perfect property and helping people with what is sometimes it the biggest investment they ever make,” she explained. Dottie decided to join Bush Legacy to be better informed about politics.

“The first lunch meeting I attended with Parker County Republican Women, it split into two groups and Bush Legacy was formed. I am glad we are back to one club in Parker County,” she continued.

Most people don’t know that Dottie was a PRCA rodeo secretary and professional barrel racer. Her favorite way to pay it forward is to, “help others get ahead in real estate, I have had lots of help and mentors over the years!”

Her definition of a great day is an easy one.

“Any day I can spend with family and friends in my kitchen cooking is a great day!”
