

PARKER COUNTY
Republican Women
“Uniting All Republicans”

Patriots,

We are in the midst of summer with plenty of what I call craziness! Texas Democrats have run rather than debate their position causing a huge waste of time and money in what will be the first of the Special Sessions! We knew that we'd need a second Special Session to deal with Redistricting, but today's waste of time and resources is inexcusable. Folks that get elected, take the oath of office have a responsibility to stay and “fight” whether they ultimately win or lose the battle. We need to stay engaged in the “fight” and tell our story, share our vision for our State and our Country regardless of whether we win or lose the current battle. In this ongoing war, there will be many battles and there's always a next battle to preserve our way of life. As President Ronald Reagan said, “Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children's children what it was once like in the United States where men were free.” We are the difference in all the battles that we face. Today is not the day to take a break or tire of the process.

It's time to engage for the 2022 election season, and as we start, let's remember that our positions on issues should be adequate without slandering anyone. Elections need truth and respect. It's time to decide who we're going to invest our time and treasure in. It's time for us to volunteer to work the elections, to serve as poll watchers in voting precincts and central count. It's time to prepare to have the dialogue that changes minds and hearts. We have folks coming to our community that may be just as passionate as we are about our cause and some that have a slightly different idea about what it means to be a Republican. Embrace them. Share with them. Another true statement from President Ronald Reagan, “The person who agrees with you 80 percent of the time is a friend and an ally – not a 20 percent traitor.” It's time for all to remember that after we select our nominees in our family discussion commonly known as a Primary, we need every single Republican on the same side against Democrats, Libertarians, Socialists, Communists, Green Party, or any other new party that shows up.

Without you, there's no election integrity no matter what laws are passed. Without you, the charitable and spiritual needs of our community go unmet. We are the answer to our family and community issues, not government. YOU are the difference!

Happy Campaigning!

Rachael Watson- Paralegal Services of North Texas

Rachael grew up in Albuquerque, New Mexico. She graduated from Tarleton in Stephenville with a Bachelor's degree in English in 2003 and from Purdue University 2012 with Bachelor's in Paralegal Studies. Her plan was to go on to law school, but jokes that she was "quickly talked out of that path and put to work doing what I do now."

Rachael joined the Parker County Republican Women to get involved in my community and to get to know my community leaders who had similar political interests. Rachael and her husband, Bret, are active in the community; they currently own five businesses and by the end of 2021, Rachael will add another in direct sales. Rachael pays it forward by helping those in the community who need paralegal help.

"I enjoy being active in the community and give my time and/or talents to local nonprofits. I work with nonprofits such as Father and Mothers for Equal Rights and Sanctified Hope," she explained.

Her definition of a great day?

“Starts with a cup of coffee from Major Perk. Being able to get to the office and get the grunt work knocked out and then getting home to spend my evenings with my best friend and husband, Bret.”
