

Happy November!

As we enter the holidays, we started with a Constitutional Amendment election that also included local issues in some jurisdictions. It's the start of the very busy 2022 Primary and General Election that is just around the corner!

Thank you to the Parker County Patriot Ellen Woodward who went to Virginia with the Strikeforce to campaign for Youngkin! No election results as I write, but Make Virginia RED!

As we prepare to campaign for our preferred candidates, let's remember that if we can't articulate a why our candidate, it doesn't mean that the answer is to throw mud at their opponent. In the past, Parker County voters have resisted rewarding negative campaigns, and I want to urge you resist today. Please follow up on the accusations against candidates. Make sure that the facts support the accusations. Avoid the "experts" that attack anyone that disagrees with them. These folks are the same folks that we see at Church, the grocery store, ballgames, and other events in our communities. They are a political opponent that is still going to be our neighbor when the election is over. I'm amazed at the people that don't expect truth in politics. I'm not sure where they think that exception is written, but it's just wrong. As we campaign, remember President Reagan's encouragement, "The person who agrees with you 80 percent of the time is a friend and all ally – not a 20 percent traitor."

Please join us for the November meeting on the 18th. It's the perfect place to indulge in the Bake Event. Then it's a celebration of Christmas at the home of Dottie and Mark Worthington on December 9th.
