Republican Women of Weatherford

January 2021

As we transition into 2021, I just want to say thank you to Robin for leading our club and for staying involved on the 2021 Board AND thank you to each of you for what you've done, are doing, and will do to KEEP OUR COUNTRY RED!

Together, we've weathered storms that none of us could have imagined as 2020 began. We've been affected personally, financially, and politically. All of the discussions about masks, social distancing, Plexiglas, and closures across the world have come with a huge cost to all of us. Many of us have lost friends and family during a time that limited funeral attendees. Many of us have dropped loved ones off at the curb of a hospital. So today, we must heal and move forward together.

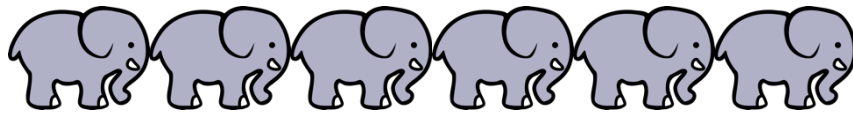

While we fight for the Georgia Senate seats and wait on the final outcome of the November election, we must stand firm against all enemies domestic and foreign. We must not give in or give up. This life is made up of many battles that we sometimes win and sometimes lose, but the war continues. Your voice to stand against the ridiculous is country changing. Your investments of time and treasure with enthusiasm and integrity are the difference makers!

Please invite your friends to join us. Please join us for the monthly meetings. If you have fundraising or outreach ideas, please share them. If you have a point to make with an elected official, call or email them. Let's make sure that we are successful in 2021!

May Our Lord bless you, your family, our community, our President, and all Americans today and always!

Zan Prince 2021 BLRWW President
